Dear Ms. Gray:

We have, at this time, just a couple of questions with regard to the above referenced Solicitation:

1) Reference to Section 00110, Page 13 of the Technical Proposal Submission Instructions. Do Items 2, 3 and 6 apply only to the Olive Site as do 4 and 5?;

Response: Yes – that is correct, however, contractors are setting the standards for materials and quality for the other sites with the technical submission for Olive. See Section 00110, Page 1, paragraph 1.00.

2) Will all bidders be receiving copies of all bidder questions and answers?

Response: Yes – that is correct.

Thank you for your time and attention;
